(d) Manufacture of Aerated Waters.

(1) There shall be water connection from the public water supply to the factory premises.

(2) The water should be filtered, and the filtering vessels and materials shall be sterilized at such times and in such manner as the President or Health Officer may direct.

(3) All water to be used for washing bottles shall be stored in closed iron vessels and be treated before use with permanganate of potassium in such manner as the President may direct.

(4) The room in which aerated waters are manufactured shall be properly roofed and kept clean and in good repair; the walls shall be plastered with mortar and shall be lime-washed at least once in three months, the floor shall be flagged, tiled or cemented so as to be impervious to water and shall be properly drained.

(5) The water used for the manufacture of aerated waters shall be pure and shall not be carried in massacks or in any other vessels not approved by the President or Health Officer.

(6) The premises and all the appliances used in the manufacture shall be open to inspection at all reasonable times by the President, the Vice-President, the Health Officer, the Sanitary Inspector or any other Municipal Officer authorised by the President.

(7) No aerated waters of any kind shall be issued from the manufactory without having a proper label and mouth piece on each bottle, giving full name and address of the Manufacturer.

It shall be lawful for the President, the Vice-President, the Health Officer, the Sanitary Inspector or any Municipal Officer authorised by the President, to enter any place used for the manufacture or sale of aerated waters at any time when such place is open and to inspect or take a sample of bottles of any kind of aerated waters which are there manufactured or kept for sale. Samples shall be examined by the Health Officer and if a certificate from him states that such sample is unfit for human consumption it shall be evidence that it is so unfit until the contrary is proved.

(8) Any infringement of any of the above bye-laws shall render the proprietor or the person in charge of the place liable on conviction to a fine not exceeding Rs. 20 and to a further fine not exceeding Rs. 5 for every day after such conviction during which such infringement continues, provided that the total amount of the fine shall not exceed Rs. 500.

B. KESAVAIYA,
President.
